**Provide protection
and care for a
family at risk in
a loving home**

This Christmas I have decided, in your name, to provide a vulnerable family living on the streets or at high-risk, the opportunity to stay in the Casa Alexis Protection Home in Guatemala until a suitable alternative can be found.

The Street Kids Direct project in Guatemala works with high-risk children and their families and provides programmes to keep the children from taking to the streets. You can find out more by going to their website: streetkidsdirect.org.uk
