**Providing books
for high-risk
children to help
with their
education**

This Christmas I have decided to gift two books to the Go Guatemala project in Guatemala that provides support to 120 high-risk every week. Most will never get the chance to read a book and I hope this gift will help many children in the coming year discover the joy of reading.

The Street Kids Direct project in Guatemala works with high-risk children and their families and provides programmes to keep the children from taking to the streets. You can find out more by going to their website: streetkidsdirect.org.uk
