Saachia: Five, White Christmas by Bing Crosby
Freya: Six, A bulletin
Zoe: Seven, Bells
Thomas: Eight, C
Saachia: Nine, D
Freya: Ten, E
Zoe: Eleven, F

THE STUDIO

This year Radio Christmas is based at Amersham Free Church, Woodside Road, Amersham, HP6 6AJ.

The studio can accommodate small groups of children as we are trying to limit large numbers due to space.

Radio Christmas can take LIVE phone calls during the show on 01494 853797, as well as texts, emails and messages via Facebook.

Please do look at the Radio Christmas website for more information about contacting the studio.

THE SCHOOL HOUR

The School's Hour is a very popular feature with listeners all around the world.

There are TWO hours given to this programme every weekday before the end of term. The first show is from 12:00noon to 1:00pm

and the second is from 1:00pm-2:00pm. Each show lasts approximately 55 minutes in order to give time for the news.

Schools are free to just come along, choose the music and be interviewed or come prepared with a plan for their school.

The show can include music, poems, interviews, quizzes, competitions, readings and information about your school and events.

You can bring along music on a USB stick or can even choose music on the day from our library, which is loaded ready.

All shows include adverts to help cover the running costs. If a school wishes an advert-free show then the show can be sponsored for just £50. One of the Radio Christmas team will host the show and do all the technical part.

READING THE NEWS

If you let us know in advance if you would like to have students preparing the news and then reading it out live on the hour.

Our team will show you how to prepare on the day, or if you wish to prepare your own fun news,

travel and weather report then this could be included in your show,

but you will need to inform us beforehand so we can schedule this into the programme.

PARKING, ACCESS & TOILETS

There is parking available in the church but you will need to register your vehicle when coming into the church.

Inside the church there are toilets available to use, male and female. Sadly there is no wheelchair access this year to the studio.

IMPORTANT DOCUMENTS

Please do bring along a signed Parental Permission Form for EVERY child taking part in Radio Christmas.

There are other documents on the website you can download to help you plan for your show, including the Radio Christmas Presenter Pack, Risk Assessment, etc.
