CHRISTMAS GIFT GUIDE 2026

Make a gift that changes lives

This Christmas, why not make a gift that keeps changing a child's life all through 2027, long after the Christmas lights come down?

Street Kids Direct

Street Kids Direct was born from a simple but bold vision: that every penny donated would go directly to changing the lives of the most vulnerable children in Latin America.

What started as a small, volunteer-led charity in Amersham, Buckinghamshire, has grown into a movement of compassion, partnership and transformation for street-living and high-risk children in Guatemala and Honduras.

The impact has been incredible

From an estimated 5,000 children living on the streets in Guatemala, to close to zero. That's not just a statistic. It's a testament to what's possible when we believe in change, invest in prevention, and love without expecting anything in return.

800 vulnerable children supported every week

98% school-year pass rate in our mentoring centres

12,000 hot lunches cooked every month

100% of every donation goes to the projects

100% of every donation raised on Radio Christmas goes directly to the projects Street Kids Direct partner with in Central America. The charity, like Radio Christmas, is run by volunteers, **your gift makes the maximum impact** in the lives of street-living and high-risk children.
